

# F-Type Adapter Plates

**FIBERTRONICS** 

The in-house F-Type fiber optic patch panel adapter plates, are an older design for use within our own F-Type patch panels.

The 'F' in F-Type adapter plates stands for Fibertronics and these plates are for use within our F-Type patch panels. They have standard dimensions of 13.48cm (5.31") x 3.96cm (1.56") with a center pin spacing of 12.06cm (4.75"). They are available in SC, ST, LC, FC, SC/APC, LC/APC, FC/APC fiber optic connector options with 6, 8, 12, 16 and 24 port versions.
