

LC QUAD ADAPTERS

FIBERTRONICS 

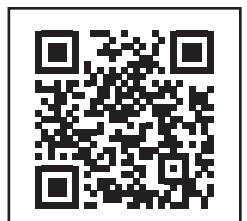

LC Quad Adapters are optimized for high density applications, helping you get more connections when space is at a premium.

Our LC Quad Adapters fit standard Duplex SC cutouts for patch panels, cassettes, adapter plates, and more. These adapters are the standard wherever high density is the priority, such as in 24 fiber cassettes and other rack mount options.

Standard LC Quad Adapters

At Fibertronics we offer two variations of LC Quad Adapters, **Full Flange** and **Reduced Flange**. Full Flange adapters offer additional stability by screw-mounting, whereas the Reduced Flange adapters allow for a smaller footprint within adapter plates.
